Treverksoul

MARAZZI

Treverksoul

A wood-look porcelain stoneware collection with an aristocratic soul and a contemporary feel, offering a fresh, unconventional take on the exquisite elegance of antique parquet floors thanks to the small Chevron size and the countless laying patterns it enables, ideal for public and private locations. Three colours with rich variation in patterning and shade underline the warmth and light of interiors inspired by a style from the past, with a new creativity shaped by a bright, original modernity.
