# Decora Collection

RAGNO 

## Decora

Nature is the focus of the Decora collection with four different subjects that create highly expressive decorative patterns for use on both walls and floors, which can be combined with five colors in the rectified 60x120 and 30x120 cm sizes. Extremely durable, 8.5 mm-thick porcelain stoneware permits plain tiles and decors to be freely alternated for modular installations and versatile combinations.
