STONE LOOK

Mystone Quarzite

A new stoneware inspired by natural black quartzite stone. A collection with an almost shiny look, accurately reproducing the inspiration material, in both colours - Black and Platinum - and in the depth of its surface, with its wealth of shade variation. Available in 4 sizes, including the large 60x120 cm, and in the natural, structure and 20 mm variants, Mystone Quarzite is completed by 2 mosaic decors in the 30x30 cm and 30x60 cm sizes.
